EDUCATION

Bachelor of Technology (B. Tech) in Computer Science and Engineering 2022-26
Pranveer Singh Institute of Technology, Kanpur 70%

Intermediate (CBSE) 66.2% | 2021

Career Objective: Computer Science student seeking an opportunity to begin my professional journey where I can improve my technical skills, gain practical experience, contribute to the organization and grow professionally.

PROJECTS

TaskFlow ↗ github.com/shivamgiri068/TaskFlow *Node.js, Express, MongoDB, JWT, bcrypt*

- TaskFlow is a full-stack Task Management Web Application to create, update, and track tasks efficiently.
- Implemented secure authentication, backend logic, and RESTful APIs to manage user-specific task operations seamlessly.
- Designed a responsive and intuitive interface featuring task categorization, priority management, status tracking, and real-time updates.

ChatSphere ↗ github.com/shivamgiri068/ChatSphere *Node.js, Express, Socket.io*

- ChatSphere is a real time chat application built using HTML, CSS, JavaScript, Node.js, Express, Socket.io.
- The app allows multiple users to connect and exchange messages instantly in a full-screen WhatsApp-style interface.
- It demonstrates WebSocket communication, responsive design, and client-server interaction in a simple messaging system.

URL Shortener ↗ github.com/shivamgiri068/URL-Shortener *HTML, CSS, JavaScript, REST API*

- Developed a fully responsive URL shortener application capable of converting lengthy URLs into compact, shareable links with high efficiency.
- Integrated real-time URL generation, validation, and error handling to ensure accurate conversion and reliable data processing.
- Designed a clean, user-friendly interface with dynamic DOM manipulation and interactive elements to deliver a seamless user experience.

SKILLS

Programming Languages: Java, JavaScript, SQL

Web Technologies: HTML, CSS, JavaScript, Responsive Design

Core Concepts: Object Oriented Programming, Database Management System, Data Structures and Algorithms, Computer Networks, Operating Systems, Software Engineering

Frameworks & Tools: Node.js, Express.js, Spring Boot, Git, GitHub, Postman, VS Code

Database: MySQL, Oracle

Areas of Interest: Competitive Programming, Full Stack Web Development, Prompt Engineering

CERTIFICATIONS

Java (Basic) | [HackerRank](#)

SQL (Basic) | [HackerRank](#)

ACHIEVEMENTS

- Achieved **Global Rank 5275 / 35968 (Top 15%)** in [LeetCode](#) Weekly Contest 497
- Solved 250+ DSA problems on platforms like [LeetCode](#) and [HackerRank](#)
- Rated 5 star in Problem Solving on [HackerRank](#)
